Make IT 2026

JCON OpenBlend SLOVENIA 2026

Intro

About MakeIT

The MakeIT conference, organized by SIOUG, has become the central event for ICT professionals in Slovenia since its first edition in 1996. Over the years, the conference has hosted numerous domestic and international speakers at various locations, recently settling in the **Congress Centre Portus** in Portorož.

Due to the constant evolution of the IT industry, the conference has adapted to changes and participant needs. Since 2023, it runs in two parallel tracks: **MakeIT SIOUG**, focusing on **Oracle** technologies, and **JCON OpenBlend Slovenia**, dedicated to **Java** topics.

MakeIT remains committed to connecting professionals, sharing knowledge, and staying updated with the latest trends. Attracting **hundreds of participants** annually, it offers sponsors a unique opportunity to present their brands, products, and services to an influential international IT audience.

Event

MakeIT 2026

The MakeIT 2026 & JCON OpenBlend Slovenia 2026 Conference will be a three-day event for developers and decision-makers working with Oracle technologies, Java, artificial intelligence, architecture, DevOps, and open-source solutions. It will take place from 27 to 29 May 2026 at the Portus Congress Centre in Portorož.

The conference offers a rich, hands-on programme featuring workshops, expert talks, and networking in a relaxed setting. MakeIT 2026 will focus on Oracle technologies such as Oracle Cloud, APEX, PL/SQL, Oracle Database, and AI-driven solutions, while JCON OpenBlend Slovenia 2026 will spotlight the Java ecosystem and open-source technologies. Sessions will be delivered in English and Slovenian.

With a single ticket, participants will have access to both tracks, enabling broader knowledge exchange and direct engagement with leading experts. The conference experience will be further enhanced by two evening events—a relaxed Pizza & Beer Party and a Gala Dinner—alongside a wide range of accompanying activities.

Join Us in Success

We understand that every partnership is unique. Your ideas and innovative approaches are valuable to us, and we invite you to explore new opportunities and forms of collaboration that will benefit both parties.

If you have specific ideas or proposals you would like to implement as part of the conference, we are available for discussion. Our goal is to establish a partnership that supports your marketing objectives, enriches the participant experience, and contributes to the success of the event.

Your support is essential to the success of the conference. We look forward to the opportunity to collaborate and are available for additional information or discussions about partnership possibilities. Together, we can create an unforgettable event!
